

During the Summer term we would like you to focus your home learning on developing your reading, spelling and maths skills.

Use your Ed Shed and TT Rockstars logins to practise spellings and multiplication facts.

Remember your daily reading.

Here are some further activities that you could choose from too.

<p><b>Topic and English</b> <b>Endangered Animals Fact File</b> Research some endangered animals and choose one to make your own fact file about. Website to start from:  <a href="https://www.worldwildlife.org/species/directory?direction=desc&amp;sort=extinction_status">https://www.worldwildlife.org/species/directory?direction=desc&amp;sort=extinction_status</a></p>	<p><b>Topic and Science Persuasive Recycle, Reuse, Reduce</b> Create a poster to persuade others to Recycle, Reuse and Reduce. Try and include reasons for encouraging people to do the Three Rs. You could do some research and the importance of recycling to include on your poster.</p>	<p><b>English – Reading - Try a different book</b> We have read LOTS of different books this year. We challenge you to read and enjoy (either one of your own or shared read with a grown up) a type of book you do NOT often think to read. This may be a FACT book on a new topic, or maybe some poems or perhaps a different fiction genre...you might be inspired by a visit to the local library or speak to our librarians for inspiration! These list may help you choose too... <a href="https://schoolreadinglist.co.uk/reading-lists-for-ks1-school-pupils/suggested-reading-list-year-2-pupils-ks1-age-6-7/">https://schoolreadinglist.co.uk/reading-lists-for-ks1-school-pupils/suggested-reading-list-year-2-pupils-ks1-age-6-7/</a> <a href="https://schoolreadinglist.co.uk/reading-lists-for-ks2-school-pupils/reading-list-for-year-3-pupils-ks2-age-7-8/">https://schoolreadinglist.co.uk/reading-lists-for-ks2-school-pupils/reading-list-for-year-3-pupils-ks2-age-7-8/</a></p>
<p><b>Diary Entry</b> We are looking at writing diary recounts this term. Can you keep your own diary? It doesn't have to be every day but could be if you have a fun or interesting day. You could try to include what you have been doing and how you felt when you did it.</p>	<p><b>Spellings</b> Use your Spelling Shed website login to log on to this website to play lots of spelling games. We will also add games that link to our weekly rules too. <a href="https://www.edshed.com/en-gb/login">https://www.edshed.com/en-gb/login</a></p>	<p><b>Special Objects</b> In the final part of this term we will be studying a book called 'The Proudest Blue'. We will be thinking about objects that are special to us. Draw or take a picture of an object that is special to you and write a short description about why it is so important to you.</p>
<p><b>Topic / Maths -Household Recycling Diary</b> <b>How and what do you recycle?</b> Keep a diary about what you recycle each day in your house. You could write your findings in a table, tally chart or pictogram (we will be learning more about these charts in maths this term too).</p>	<p>Have you looked at your highlighted sheet with words you find tricky to spell? Can you practise them at home – how many can you spell now?</p>	<p><b>Science: Create your own animal</b> Topic: Humans and animals. Create your own animal that fits into one of these groups: mammal, amphibian, fish, reptile or bird. Draw the new animal and explain the following:</p> <ul style="list-style-type: none"> <li>• What it eats</li> <li>• Where it lives (its habitat)</li> <li>• What its young look like and how they change as they become adults</li> <li>• If it gives birth to live young or an egg</li> <li>• Life expectancy (how long it lives)</li> </ul> <p>What it is in a food chain (consumer, herbivore, predator etc</p>
<p><b>Maths Games- TT Rock Stars</b> Use your TT Rock Stars log to practise multiplication facts. Remember to focus on times tables that you find tricky so you can improve rather than completing times tables you are already confident at.</p>	<p><b>Maths Games</b> Access this free app to play some speedy one minute games to keep your mental maths skills topped up! <a href="https://whiterosemaths.com/1-minute-maths">https://whiterosemaths.com/1-minute-maths</a></p>
