

The Rainforest

<p>Rainforests can be found all across the world! Create a world map showing where rainforests are located.</p>	<p>Design your own Rainforest animal. What adaptations does your animal have to survive in the rainforest?</p>	<p>Read some non-fiction texts on rainforests (perhaps by visiting the library). Share some unusual or different facts with the class.</p>
<p>Create a picture or collage of an exotic bird or animal that lives in the rainforest.</p>	<p>Create a poster campaign to encourage people to stop destroying the rainforest.</p>	<p>Rainforests are home to some of the weirdest and most unusual plants in the world. Can you find out what some of these plants are?</p>
<p>Write a short story using one of these titles; The River Monster Lost in The Jungle Use a variety of sentence openers and interesting vocabulary.</p>	<p>Imagine you are in the rainforest, write a postcard to a friend to explain what it is like. Make sure you include some exciting vocabulary.</p>	<p>Create a fun PowerPoint presentation that gives children an understanding of what deforestation is and how we can prevent it!</p>
<p>Research the different layers of the rainforest. Draw a diagram with labels and pictures showing each layer.</p>	<p>Research one rainforest animal. Make notes around a picture or illustration to describe and explain how it survives in the rainforest.</p>	<p>Find out more about The Rainforest Alliance and create an information poster advertising their work.</p>
