

During the Spring term we would like you to focus your home learning on developing your reading, spelling and maths skills. Each week select one activity and complete it in your home learning book.

<p><b>As well as choosing one activity from this section please ensure you complete the following:</b></p> <p><b>Read daily and record in the yellow reading record.</b></p> <p><b>Practise weekly spellings using your Ed Shed login.</b></p>	<p><b><u>Where in the Solar System?</u></b>                  Find out more about one of the planets in our solar system. Draw a picture of the planet and label it with facts. You could answer:                  How far is it from Earth?                  What is the temperature?                  How big is it?</p>	<p><b><u>Diary entry</u></b>                  Imagine you are an explorer visiting somewhere exciting in the world or space. Write a diary entry of a day in your life. You could include: what you need to wear, what you might eat, what you do and see and anyone you meet.</p>	<p><b><u>Reading Challenge-Poems</u></b>                  Our World Book Day this year all about performing poetry.                  Can you learn a poem (or even just one verse) to perform to the class?                  Think about expression and keeping your audience interested when having a go at this.                  This link has a few funny ones:  <a href="https://bookriot.com/funny-poems-for-kids/">https://bookriot.com/funny-poems-for-kids/</a></p>
	<p><b><u>Science- Food Chains</u></b>                  We are studying food chains in the coming weeks. Have a look at this clip  <a href="https://www.bbc.co.uk/teach/class-clips-video/science-ks1-the-food-chain/zbr8d6f">https://www.bbc.co.uk/teach/class-clips-video/science-ks1-the-food-chain/zbr8d6f</a>                  Can you create a food chain with a producer and consumers?                  It could be from any of the habitats in the world we have studied!</p>	<p><b><u>Grammar-Commas in a list</u></b>                  We are looking at how to use commas accurately in our writing. Look at the BBC Bitesize page on this:  <a href="https://www.bbc.co.uk/bitesize/topics/z8x6cj6/articles/zxvcrdm">https://www.bbc.co.uk/bitesize/topics/z8x6cj6/articles/zxvcrdm</a>                  Write some sentences describing a place in the world (could be real or imaginary)-make sure you include some lists.                  Here is an example:                  The arid desert was filled with looming pyramids, an enormous Sphinx, rolling tumbleweed and endless sand.</p>	
	<p><b><u>Maths Games- TT Rock Stars</u></b>                  Use your TT Rock Stars log in (coming home in books) to start to practise multiplication facts. We will introduce this to the children in class so they fully understand how to use it.</p>	<p><b><u>Maths Games</u></b>                  Look at these maths games and choose one to play.  <a href="https://thirdspacelearning.com/blog/maths-games-ks1/#8-maths-games-for-year-2-">https://thirdspacelearning.com/blog/maths-games-ks1/#8-maths-games-for-year-2-</a>  <a href="https://www.topmarks.co.uk/Search.aspx?q=year%20%20maths">https://www.topmarks.co.uk/Search.aspx?q=year%20%20maths</a>                  Record any scoring in your home learning book and you can teach us all how to play in class too!</p> <p><b>This term we are focussing on: multiplication and division so choose games that link to these too.</b></p>
