Vision and Values

'Bright Futures'

We are a child centred, caring and motivational school.

We support each other in a spirit of openness and inclusivity.

We work with integrity to ensure all children have the skills they need to achieve their ambitions.

Our values (be responsible, be respectful, be resilient) are used to underpin our PSHE curriculum and support our behaviour in the classroom and on the playground. The focus on Values provides an environment where children feel safe, behaviour is outstanding and where positive attitudes to learning are nurtured.

School

The School will do its best to:

- Provide a safe and happy learning environment
- Provide a balanced curriculum of the highest quality and meet the individual needs of every child
- Keep your child safe beyond the school gates by teaching age appropriate skills such as being aware of traffic, strangers, cyber bullying and social media risks.
- Tackle and eliminate bullying
- Value every child as an important member of the school community
- Develop positive values and a caring attitude in each child.
- Inspire children to achieve their very best in each skill, task and subject taught to build life-long learners
- Set regular home learning
- Inform children and parents/carers what we aim to teach each term
- Keep your data and your child's data safe
- Contact parents / carers as soon as concerns are raised about your child's work, behaviour, attendance or punctuality
- Have a clear and consistent approach to rewards and sanctions for children as set out in our Behaviour Policy
- Communicate efficiently between home and school
- Ensure safeguarding is at the centre of our school culture
