

Watlington Newsletter - March 1

Dear Parents and Carers,

Outdoor Learning day was a great success! What started out as a very wet day turned into sunshine and a hive of activity outside, including a treasure hunt planned by year 6 for their buddies, art activities and lots of creativity! Look at the class pages for photos of the day.

As always, World Book Day was fun with lots of creative costumes and boundless enthusiasm, from the staff and children! There has been a 'buzz' around school this week with reading swaps, performance poetry, book fair, reading café and a whole school assembly where all classes performed! Thank you to our volunteers helping with the reading week events.

The next few weeks are busy too, with year 6 residential, STEM week and Hedgehogs class assembly. Check the dates section below for more information.

As always, thank you for your ongoing support.

Best wishes,
Gemma Sterjo

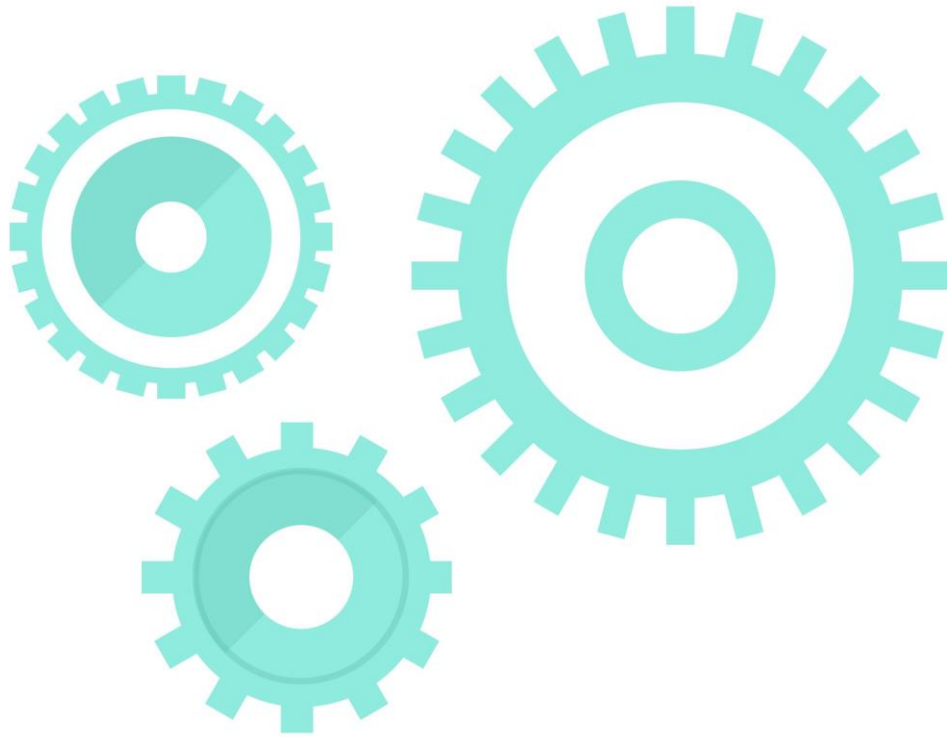

GOLDS

Bats: Lexie and Rey

Hedgehogs: Reuben, Joss, Hadley, Roman and Nicholas

STEM Week Experts

In the last week of term we are focusing on Science, Technology, Engineering and Maths (STEM) across the school. At the end of the week you will be invited in to share what the children have been learning. Each class would like to have a visitor during the week to share their expertise on a STEM topic.

We are looking for vets, doctors, scientists, engineers or any other STEM related profession. Thank you.

Watlington Primary Food Bank

As you may recall, prior to the Christmas holidays, we organised a foodbank collection to support families in need within the Watlington community. The response we received from families was fantastic, and I am pleased to share that we were able to make a significant impact in assisting those experiencing hardship.

Due to the successful nature of our previous foodbank collection, we have decided to continue this initiative. We believe that by coming together as a community, we can make a difference in our local community.

With that in mind, we kindly request that you consider again donating any suitable food items such as tins, dried food, and toiletries. Any donations can be placed in the box located in the reception area of the school. By donating what you can, you will directly contribute to supporting families who are in need. Thank you in advance for your support.

If you require assistance, please let us know and we will arrange a bag for you to collect.

LIBRARY NEWS

Thank you to everyone who supported the annual Scholastic Book Fair at school this week. All proceeds from the sale will go directly back into funding for new library and class books. We are very much looking forward to selecting some exciting new authors and non fiction books!

Do you love books and have a little time to spare?

We are looking for new members to join the team and help run the school library.

8.45-9.30 (approx.) on either Tuesdays, Wednesdays, Thursdays or Fridays - jobs including issuing/returning books, helping children to select books etc.

Full training given!

If you think you can help, please contact Sunny Britt or email the school office:

admin.2459@watlington.oxon.sch.uk

Thank you!

The Library team
