

Red Kites' Topic Web Summer 2026

English	Maths	Science	Computing	
<p>Class book: The boy at the back of the class</p> <p>Fiction: Graphic novels and poetry</p> <p>Non-fiction: Persuasive writing</p>	<p>Angles: Understand / use degrees, classify angles, measure angles up to 180 degrees and around a point. Angles within shapes.</p> <p>Position and direction: Read and plot coordinates, translation, lines of symmetry, horizontal and vertical lines.</p> <p>Decimals: Add and subtract decimals (with same and different number of decimal places), sequences, multiply and divide by 10, 100, 1000.</p> <p>Converting units: Units of time and measure, comparing volume, estimating capacity.</p>	<p>Animals including humans We will outline the changes as humans develop to old age.</p> <p>Scientific Enquiry We will be covering the following enquiry skills:</p> <ul style="list-style-type: none"> • asking questions • making predictions • setting up tests • observing and measuring • recording data • interpreting and communicating results • evaluating 	<p>Programming Children will develop their knowledge of 'selection' by revisiting how 'conditions' can be used in programming, and then learning how the 'if... then... else...' structure can be used to select different outcomes depending on whether a condition is 'true' or 'false'. They represent this understanding in algorithms, and then by constructing programs in Scratch.</p> <p>Vector drawing Children will start to create vector drawings and learn how to use different drawing tools to create images. Children will recognise that images in vector drawings are created using shapes and lines, and each individual element in the drawing is called an object.</p>	
French	<p style="margin: 0;">Extreme Earth</p> 		Geography	
<p>As-tu un animal? Do you have a pet?</p> <p>Au salon de thé At the Tea Room</p>			<p>Children will study physical geography including climate zones. They will identify hemispheres and continents and countries on maps and globes. We will learn about the water cycle and the distribution of water across the world, and also natural events such as earthquakes, tsunamis and volcanoes. We will consider the impact humans have on the environment over time.</p>	
Religious Education	Art / Technology	Music	PE	PSHCE
<p>Term 5: How can following God bring freedom and justice?</p> <p>Term 6: What matters most to Humanists and Christians</p>	<p>Art: Hokusai artist study / The Great Wave, Tornado Art</p> <p>Design: Moving toys? Check skills ladder for anything missing.</p>	<p>Ukulele</p>	<p>Term 5 Athletics and football</p> <p>Term 6 Athletics and rounders</p>	<p>Jigsaw</p> <p>Term 5: Relationships Children will learn how to make friends, recognising their own personal qualities. They will learn about staying safe online and consider their relationship with technology.</p> <p>Term 6: Changing Me Children will learn that everyone is unique and special. They will learn how to express how they feel when change happens, including during puberty. We will also cover reproduction in this unit of work.</p>
