Class / year group specifics

- ▶ Communication methods – class pages, newsletters each main term, class emails, admin email, end of the day, phone. **Please see our class web page for weekly updates.**
- ▶ More information about PE days etc, will be communicated in your first class newsletter (please ensure your child is in the correct PE kit on these days). Ear rings should be taped up. Summer is the best time to get your child's ear pierced so they can be removed for PE lessons.
- ▶ If wearing laces, can they do these independently
- ▶ Any medication should be sent in at the start of term with care plans

Ways to support your child over the Summer holiday...

- ▶ Your child's end of year report will be sent home before the end of term. This will outline next steps that your children need to take in maths, reading and writing. Please support your child in developing these skills over the holidays, so they can hit the ground running in September.
- ▶ Children should continue reading regularly and revising their times table facts over the summer holidays – **this has a HUGE impact! The TT RockStars logins will work over the summer.**
- ▶ Ensure your child has all the uniform and equipment they need for September-no need for pencil cases!

Involving you next year...

- ▶ Class email address: badgers@watlington.oxon.sch.uk if you have any small issues or messages
- ▶ We will keep the class pages updated on a regular basis.
- ▶ Clubs are open to all – if your child hasn't done a club before, we encourage them to give one a try! Support is available for paid clubs.
- ▶ We will hold a parents' evening in the autumn term.
