

Welcome to The Nest!

Meet the team!

We hope you had a lovely summer holiday and are looking forward to getting back into term time routines. We are excited to have the children back!

Mrs Doran and Mrs Glover will be the class teachers, supported by Mrs Lukovska and Mrs Outram - our class teaching assistants.

1 - Curriculum

We will be exploring the book 'If I were Prime Minister' for the first few weeks of term and our maths focus is place value.

Please see class pages for further information on topic curriculum areas and PE days.

Take a look to see what we've been up to!

We have a Nest class page which you can find [here](#).

Please also visit your child's year group class too to see what else they have been busy with!

If your child has any books or resources that would support our topics this term, then we would love to see them – and if any family members or friends can share expertise in any of these areas, please contact us!

Forest school

We use the outdoors daily, whatever the weather. Forest school happens on Tuesday afternoons. If your child is likely to get dirty then a bag of spare clothes to keep in school would be a good idea.

- Spare trousers/leggings
- Pants & socks
- Waterproof trousers and coat
- Long sleeved tops
- Wellies
- Named water bottle

House keeping

Medication and allergies

It is essential to inform us if your child has any medication, including inhalers, any allergies, or any food intolerances. We have a number of pupils in our school who have severe nut allergies, therefore nuts are banned from the school premises.

End-of-day arrangements

Please let us know if someone different will be collecting your child- you can also phone the office before 3pm.

Snacks

In the Nest, we have snack time together so please can you ensure you send your child into school with a healthy snack of fruit or vegetables. If your child has a packed lunch it would be helpful if you could explicitly tell them what their snack is.

Keep in touch!

We look forward to meeting you over the coming weeks and working alongside you this year. Please do not hesitate to come and speak to us, at the end of the school day or via the class emails.
